HOW TO REGISTER YOUR DEVICE FOR WIFI ACCESS

1) Connect to the WiFi “SAA”.
2) Open the internet browser and surf any http website (es: lastampa.it).
3) The system will automatically redirect you to the authentication website.
4) Click on “Registrati” and fill in all the required fields.

Please note that you have to write the number of the SimCard you are using at the moment of the registration, otherwise you won’t be able to complete it.

Remember to select the box “Accetto le Condizioni”.
5) Click on “Avanti”, then you will have to send an SMS to 00393483510942, writing “SAADomain” (please note that the first four letters are in capital).

Go back to the internet page and then click on “Avanti”.

6) You will receive an e-mail with your username and password as soon as the registration is completed.
7) Click on “Ok” and then you will be connected to the WiFi.
Every time you want to connect again you have to repeat the process till the third point.
