

## Curriculum Vitae Arthur van Soest

### Education

1975-1980: BSc & MSc Mathematics, University of Nijmegen (cum laude)

1981-1987: BSc & MSc Econometrics, Tilburg University (cum laude)

1985-1990: Ph.D. econometrics, Tilburg University (cum laude)

### PhD thesis

Micro-econometric models of consumer behaviour and the labour market  
February 1990; supervisors: Arie Kapteyn, Peter Kooreman.

### Employment history

1980-1981: Junior research fellow, Leyden University

1982–1983: High school teacher economics, Dr Moeller college, Waalwijk

1984-1989: Teacher mathematics, Teachers Training Institute, Tilburg

1985-1988: Junior research fellow, Tilburg University & Economics Institute Tilburg

1988-1990: Assistant professor, Tilburg University

1991-1995: Associate professor, Tilburg University

**1995- Full professor, Tilburg University**

2003-2007: Senior Economist, RAND, Santa Monica, CA

### Visiting positions and other research affiliations

1992 - 1997: Research fellow Netherlands Royal Academy of Sciences

1995: (summer) TMR Research fellow, University College London

2000: (Jan-April) Visiting Research Fellow, University of Sydney

2000 - IZA Bonn, Research fellow

2002: (summer) Visiting Research Fellow, RSSC, ANU Canberra

2004: (May) Benjamin Meeker Visiting Research Fellow, Bristol University

2007 - 2015 Affiliated adjunct senior economist, RAND, Santa Monica, CA

2010 - DIW Berlin, research professor

2012 - 2015: University of Sankt-Gallen, external lecturer

2015 Visiting professor, Collegio Carlo Alberto, Moncalieri

2018 - Visiting professor, University of Turin

### Administrative and management activities

1990-1994: Management team, department of Econometrics & OR, TiU

1994-1997: University council, TiU

1997-2000: Educational director Initial phase economics & business, TiU

2000-2002: Head of department Econometrics & OR, TiU

2002-2003: Director of Graduate Studies, CentER graduate programs in economics

2004-2007: Scientific director, Netspar

2007- Program coordinator, Netspar

2007-2013: Council European Society of Population Economics  
2009-2014: Scientific council, MiSoc (ESRC Centre, University of Essex)  
2014-2018: Director of graduate studies, CentER graduate programs in economics  
2017-2020: Scientific council GSOEP, DIW Berlin  
2018- Academic Board PhD programme in labour, development and innovation, University of Modena  
2019- Scientific council, ODISSEI (NWO)  
2019- Council European Association of Labour Economics  
2020- Chair of several educational committees, TiU  
2022- Council Society of Economics of the Household

### **Selected projects with external funding**

- SHARE: Survey of Health, Ageing and Retirement in Europe, funded by the EU, 2004-2010, 2013-... Dutch country team leader and leader of the working group Database Management and Data Validation; total (Dutch) budget over the years exceeds m€10.
- COMPARE: project on enhancing international comparability of subjective measures, funded by the EU, 2005-2008, Principal Investigator (PI); m€1.5.
- A Laboratory for the Study of Household Financial Decisions (CoPI), funded by NWO, the Dutch Central Bank, and Tilburg University, 2003-2014; total budget over the years exceeds m€2.
- MESS, Measurement and Experimentation in the Social Sciences, funded by NWO, 2006-2014 (CoPI, and Chairman of the Board of Overseers); total budget over the years exceeds m€15.
- Pensions, Ageing, Health, and Well-Being of the Elderly, funded by Stichting Instituut GAK and Netspar, 2006-2009 (PI); k€500
- Pensions, Ageing and Health, funded by European Science Foundation, 2008-2009 (PI); k€160.
- Stated Preferences for Joint Retirement, funded by NIA (US), 2007-2009 (CoPI); k€400.
- Modeling Preferences and Decisions of Individuals and Households, NWO Top-subsidy, funded by NWO, 2012-2017 (PI); k€747.
- Informal care, paid work, and health, funded by Ministry of Social Affairs and Employment (PI), 2017 (PI); k€49
- ANGLE, A network game for life-cycle education, 2020 – 2022 (partner); EU project coordinated by Collegio Carlo Alberto Turin; k€368.
- Work and disability in old age: restrictions & incentives, 2020-2022 (Co-PI), Netspar theme project, k€250.

### **Current and past editorial work**

Labour Economics (editor in chief as of 2018);  
Empirical Economics (associate editor until 2014, co-editor as of 2018);  
De Economist (co-editor since 2017);  
Labour (co-editor until 2018);  
Journal of Pension Economics and Finance (co-editor until 2013);  
Journal of Applied Econometrics (associate editor until 2018);  
Journal of the Royal Statistical Society Series A (associate editor until 2015);  
IZA Journal of Labor Policy, Applied Econometrics (associate editor).

### **Refereeing**

American Economic Journal, American Economic Review, Canadian Journal of Economics, De Economist, Demographic Research, Econometrica, Economic Development and Cultural Change, Economic Policy,

Economic and Social Review, Economica, Economics Letters, Empirical Economics, European Economic Review, European Review of Agricultural Economics, Fiscal Studies, German Economic Review, Health Economics, International Journal of Manpower, International Tax and Public Finance, Journal of Applied Econometrics, Journal of the American Statistical Associations, Journal of Business and Economic Statistics, Journal of Econometrics, Journal of Economic Behaviour and Organization, Journal of Economic Inequality, Journal of Economic Psychology, Journal of Empirical Finance, Journal of the European Economic Association, Journal of Health Economics, Journal of Human Resources, Journal of International Development, Journal of Labor Economics, Journal of Population Economics, Journal of Public Economics, Journal of the Royal Statistical Society, Labour, Labour Economics, Oxford Bulletin of Economics and Statistics, Public Health, Review of Economic Studies, Review of Economics and Wealth, Review of Economics and Statistics, Scandinavian Journal of Economics, Ageing and Society, Journal of Urban Economics, Journal of Political Economy, European Journal of Ageing, PlosOne, .....

### **Awards and honours**

Best teacher, Faculty of Economics, 1992

Best teacher, Department of Econometrics, 1989, 1992, 1993, 1994

Teaching Quality Award, Econometrics & Operations Research, 2002

Hennipman Prize 2003 (with Marcel Das) for the best article in De Economist (2002 - 2003) from the Royal Dutch Economic Association

Best MSc course Teaching award, Tilburg School of Economics and Management, 2007

Best teacher MSc programs Econometrics & OR, 2009

Member KNAW (Netherlands Royal Academy of Arts and Sciences), since 2012

Research Achievement Award, Tilburg School of Economics and Management, 2012

Best lecturer, CentER graduate program in Economics, 2013

Distinguished author Journal of Applied Econometrics, 2015

President, European Society of Population Economics, 2016

Excellent teacher awards Tilburg School of Economics and Management, 2015, 2016, 2017, 2018

### **Supervised PhD-s (completed)**

1. Menno Pradhan (supervised with Joop Hartog), Labour supply in urban areas of Bolivia and the role of the informal sector, 1994
2. Jimmy Miller, A treatise on labour: a matching-model analysis of labour-market programmes, 1996
3. Erwin Charlier (supervised with Bertrand Melenberg), Limited dependent variable models for panel data, 1997
4. Rob Euwals (supervised with Bertrand Melenberg), Empirical studies on individual labour market behavior. 1997
5. Marcel Das (supervised with Ben van der Genugten), On income expectations and other subjective data, 1998
6. Stefan Hochguertel (supervised with Rob Alessie), Households' portfolio choices, 1998
7. Bas Donkers (supervised jointly with Bertrand Melenberg), Subjective information in economic decision making, 2000
8. Xiaodong Gong, Empirical studies on the labour market and on consumer demand, 2001
9. Rosalia Vazquez-Alvarez (supervised with Bertrand Melenberg), A nonparametric approach to the sample selection problem in survey data, 2001
10. Bernard Conlon (supervised with Benedict Dellaert), Consumer rationality in choice, 2001
11. Laura Spierdijk (supervised with Theo Nijman), Empirical studies of market microstructure, 2003
12. Charles Bellemare, Microeconomic essays on migration, trust and satisfaction, 2004

13. Tu Qin (supervised with Bas Donkers and Bertrand Melenberg), Empirical analysis of time preferences and risk aversion, 2005
14. Pierre-Carl Michaud (supervised jointly with Jan van Ours), Dynamic panel data models and causality: applications to labor supply, health and insurance, 2005
15. Vera Toepoel (supervised with Marcel Das), A closer look at web questionnaire design, 2008
16. Karen van der Wiel (supervised with Frederic Vermeulen), Essays on power, expectations and social security, 2009
17. Maria Cristina Majo (supervised with Franco Peracchi; joint PhD with Tor Vergata, Rome), A microeconomic analysis of health care utilization in Europe, 2010
18. Hana Vonkova (supervised with Arie Kapteyn), The use of subjective survey data: Anchoring vignettes and stated preference methods, 2011
19. Titus Galama (supervised with Arie Kapteyn), A theory of socioeconomic disparities in health, 2011
20. Marike Knoef (supervised with Rob Alessie and Adriaan Kalwij), Essays on labor force participation, aging, income and health, 2011
21. Luc Bissonnette, Essays on subjective expectations and stated preferences, 2012
22. Unnati Rani Saha, Econometric models of child mortality dynamics in Bangladesh, 2012
23. Salima Douhou (supervised with Jan Magnus), Essays on (small) crime: Perception, social norms, happiness, and prevention, 2012
24. Tunga Kantarci, Essays on partial retirement, 2012
25. Jochem de Bresser (supervised with Frederic Vermeulen), Between goals and expectations: essays on pensions and retirement, 2013
26. Geng Niu (supervised with Bertrand Melenberg), Essays on subjective expectations and mortality trends, 2014
27. Niels Vermeer (supervised with Daniel van Vuuren), Non-financial determinants of the retirement age, 2015
28. Jan Kabátek, Essays on public policy and household decision making, 2015
29. Amparo Nagore García (supervised with Maria Rochina Barrachina; joint PhD with University of Valencia), Essays on employment and unemployment transitions, 2015
30. Marika de Bruijne (supervised with Marcel Das), Designing web surveys for the multi-device Internet, 2015
31. Stefan Hubner (supervised with Pavel Cizek), Topics in nonparametric identification and estimation, 2016
32. Mitzi Perez Padilla (supervised with Sigrid Suetens), Risk, time and social preferences: evidence from large scale experiments, 2017
33. Joris van Toor (supervised with Kees Cools), Essays on finance: drivers of bank performance and the international cost of equity, 2017
34. Nicola Ciccarelli (supervised with Bertrand Melenberg), Essays in applied micro-econometrics, 2018
35. Chen Sun (supervised with Jan Potters and Gijs van de Kuilen), Experiments on intertemporal choices and belief change, 2018
36. Stefania Basiglio (supervised with Mariacristina Rossi; joint PhD with University of Turin), Essays on financial behaviour of households and firms, 2018
37. Shuai Chen (supervised with Jan van Ours), Marriage, minorities, and mass movements, 2019
38. Carlos Sandoval Moreno (supervised with Martin Salm), Three essays on poverty measurement and risk protection, 2019
39. Lei, Lei (supervised with Jaap Abbring), Essays on labor and family economics in China, 2020

40. Yi Zhang (supervised with Martin Salm), Topics in the economics of labor, health and education, 2020
41. Elisabeth Beusch (supervised with Theo Nijman), Essays on the Self-Employed in the Netherlands and Europe, 2020
42. Johan Bonekamp (supervised with Theo Nijman), Studies on labour supply, spending and saving before and after retirement, 2021
