Erasmus+

Erasmus+ is the EU Programme in the fields of **education, training, youth and sport** for the period 2014-2020.

Education, training, youth and sport can make a major contribution to help tackle socio-economic changes which are the key challenges that Europe will be facing until the end of the decade and to support the implementation of the European policy agenda for **growth, jobs, equity and social inclusion**.

Erasmus+

Europe needs more cohesive and inclusive societies which allow citizens to play an active role in democratic life.

Education, training, youth work and sport are key to promote common European values, foster social integration, enhance intercultural understanding and a sense of belonging to a community, and to prevent violent radicalisation.

Erasmus+ is an effective instrument to promote the **inclusion of people with disadvantaged backgrounds, including newly arrived migrants.**

Erasmus+

Erasmus+ is the result of the integration of the following European programmes which were implemented by the Commission during the period 2007-2013:

1. The Lifelong Learning Programme
2. The Youth in Action Programme
3. The Erasmus Mundus Programme
4. Tempus
5. Alfa
6. Edulink
7. Programmes of cooperation with industrialised countries in the field of higher education
